This Certificate of conformity is based on evaluation of a sample of the above Mentioned product. Technical Report and documentation are at the licence Holder's disposal. This is to certify that the tested sample is in conformity with all revision of Council Directive 89/336/EEC, in its latest amended version, referred to as the EMC Directive. This certificate does not imply assessment of the series-production of the product and does not permit the use of JL mark of conformity. The holder of the certificate is authorized to use this certificate in connection with the EC declaration of conformity according to Annex I of the Directive.
